

September 13, 2017

Dear École Joe Clark School Community:

As a school, we wanted to take this opportunity to explain the information surrounding Bill 1 and the 2017/18 École Joe Clark fee schedule:

Student fees are calculated based upon variable factors, including grade level and which activities your child chooses to participate in. Several fees are not mandatory should a student choose not to participate (for example Scholastic Book Orders, School T-shirts, Yearbook).

Bill 1 prevents increases or additional fees from being added during the school year. In an effort to be transparent, the École Joe Clark fee schedule depicts the maximum expense possible, not necessarily the final amount that will be charged to families.

Any fees charged are done so on a cost recovery basis only.

Fieldtrips will be charged once the field trip has been organized and exact cost has been determined. Parents will then be notified of the field trip charges and can log in and pay their fees online.

Parents will be able to access their child's Maplewood account via "**Connect Ed – Maplewood for Parents**". The link is <https://hosting.maplewood.com/ab/fsd/JC/parents>. The Connect Ed – Maplewood for Parents link is also on our École Joe Clark School website under the "Parents" tab. **PLEASE NOTE \*\*** An email will be sent by us with your **Username** and **Password** in the next few days. We encourage you to log in regularly and view your child's account.

Payment plan options are available, please contact Marsi Quarin-Wright, Principal to discuss this option.

École Joe Clark School is dedicated to providing quality and affordable education and exceptional learning environments for our students.

For more information, you can visit the [Foothills School Division Fee FAQ](#). If you have any questions regarding school fees, including payment plan options, please contact school staff at 403-652-2020.

Sincerely,

Marsi Quarin-Wright  
Principal, École Joe Clark School
