

École Joe Clark School is a JK-5 School located in the Town of High River. It is a dual track French and English school. École Joe Clark School houses the regional inclusion program.

Goals are based on qualitative and quantitative data collected.

Community Goal: We are a learning organization who develops Core Operating Ideals and uses the common language and universal strategies found in “The Leader in Me;” to develop a common understanding school wide and promote student leadership through explicit teaching of the 7 Habits. Developing students’ social emotional capacities will allow students to be emotionally regulated to maximize learning.

School Goal: Creating Assessment Capable Learners through assessment that is designed and promotes the competency “Think Critically” in a collaborative culture. There will be a focus using Professional Learning Teams to develop universal and targeted strategies to enhance student learning and further enhance thinking critically.

Individual Goal: Setting Individual Professional Growth Plans Goals to improve student learning, teacher practice and teacher efficacy through evidence collection.
