

École Joe Clark School Fees

ÉJCS Parent/Guardian,

In September of each school year, we will email you your **Username** and **Login** information for your École Joe Clark School **Connect Ed - Parent Maplewood Account** for your child.

You have the ability to pay your child's school fees/charges through **Connect Ed- Maplewood** and be able to see a breakdown of the charges and payments made throughout the school year. **Please note:** Class fieldtrips will be charged when the trip occurs. We encourage you to login regularly to see your child's account and/or make payments.

Simply login at the link below and go to the **Accounts** tab. You will see all outstanding charges and be able to click **ALL** to pay all charges, or enter the amount you wish to pay against a charge. Click the **Make Payment** button at the top and you will be redirected to Moneris to complete your payments by Visa or Mastercard.

You can still pay your school fees/charges through the school office by cash or cheque if you wish. Fees are due by the end of September.

The link to login to École Joe Clark School **Parent Maplewood** is:
