Active Lifestyles

École Joe Clark School is trying to encourage and promote our students to live an active life. While they develop skills and knowledge during their physical education class, we also want them to develop a self-awareness of **their** active lives. To promote and celebrate our active lifestyle, we are encouraging students to bring in a photo, showing them engaged in a physical activity. This picture will be part of a collage, displayed in our gym. Pictures can be dropped off to Mr. Nick MacDonald or emailed to, macdonaldn@fsd38.ab.ca. We will try to return the pictures in the best condition as possible, but they may become damaged while on the gym wall. Thank you for your support!
