

December 8th, 2016

Dear École Joe Clark School Community:

Here are a few notices to be aware of as we head into the last few days before holidays.

ÉJCS Christmas Concerts:

All concerts will be held at the High River Alliance Church next door to the school.

** Please DROP OFF your child(ren) at 5:10 pm at the SCHOOL (20 minutes before the start of the first concert) – no earlier please.

** Students perform at both concerts (with the exception of the Junior Kindergarten class). Please PICK-UP your child in your child's CLASSROOM after the LAST concert, unless the teacher has made other arrangements. For SAFETY reasons, please do not pull your child(ren) out of line as they go by but rather pick them up at the school.

Tuesday, December 13th, 2016 - Grade 3 to Grade 5 Concert

1:15pm – Dress Rehearsal Show – No tickets required for this show – students not rehearsing will be the audience!

Late Show – 7:00pm

PATROLS:

Alberta Motor Association recommendations are that when the weather is -20 or colder, our Patrol Team will not be outside on duty.

COLD WEATHER:

Be sure to dress for the colder weather and label all items with your child's name in case they get misplaced. When the temperature is -20 or colder, we keep students inside for recess breaks. We offer "walking club" for a bit of exercise and movement and we also offer activities so that students have a choice each day during cold snaps.

LOST AND FOUND:

All Lost and Found items will be set out on tables during the two Christmas Concert evenings in the main hallway in the school and the week following. Please come take a look for any lost/missing items. Any items not claimed by noon on December 23rd will be donated to the Salvation Army.

The 2 attached flyers are for Soccer and Ringette registrations in the community if you are interested.
